PUBLISHED DAILY, EXCEPTSUNDAY, Capital Journal Publishing Company.

OREGON WOOL AND PROTECTION

Thes. G. Lang writes From The Dailes. TO THE EDITOR OF AMERICAN ECONOMIST: The accompanying llustrations will convince you of our good faith, when we represent to you the magnitude of the wool growing interest in the valleys and ipon the rolling plains and high mountain plateaus of Oregon, east

of the Cascade range of mountains. The illustrations to which we refer you represent the largest of the wool shipping plants of the city, unless it is lying four feet deep on which have already baled for forwarding this season more than five million pounds.

million pounds, which added to the amount shipped at other outlets of the basin above us of this product,

wish to harm the good growers of Australia, Buenos Ayres, Cape of Good Hope, or other foreign coun-tries, but believe it best for us to "boil our own pot," instead of that of foreign wool growers, especially when the woolen manufacturers of America feel that it is safest to defend American shepherds.

We greet the American flag as an American wool markets for Ameri- support.

can shepherds. The growing of 16,000,000 pounds of wool in a year distributes food, dre, light and comfort to any army of stout pioneers. Stand by them

The last British Ministry was remarkable for the number of brilliant women surrounding it. There were THE JOURNAL is in receipt of a Lady Salisbury, Lady Cadogan, complimentary to the Linn County Lady Londonderry and Lady Zet-Agricultural Society's fail exhibit land among others. With the new Ministry it is quite different. The great age of Mrs. Gladstone exempts her from many social duties. The Minister of Foreign Affairs, Minister of Home Affairs and the Lord Secretary for Ireland are widowers.

Superintendent Mitchell warmly asserts that there can be no question of doubt about the Portland expo-sition of 1892 being far superior to any ever held on the coast. Every department is completely filled, and what is very gratifying to him is the fact that the exposition will open with not a single space unoccupied. For the past week he has been under There used to be occasionally a the necessity of rejecting several arman laid out drunk, or get robbed in plications, which were for exhibits reason that he had no room, unler the exhibit was of an attractiv quality, excelling anything on hand.

big country—eastern Oregon is, and mind, is not an experiment. It is a good crop means a great deal to all endorsed by thousands.

Mr. Cone, a Butteville hopgrower, states that 20c have been offered for

At the June term of court for Douglas county in 1889, Jame B. Tipton was convicted of the crime of rape, At the time of trial ex-citement was high, and public opinion was divided as to his guilt. He was convicted, however, and in the penitentiary. Recently davits have been filed clearly es-tablishing his innocence of the tertible crime, and a few days since

Governor Pennoyer granted him a free and unconditional pardon. The Chehalis Nugget says the improvements being made in Cheha in these times are something amount shipped at other outlets of the basin above us of this product, the amount to go to Eastern markets grown in this great highland basin will reach more than 16,000,000 place there was any. The subject will now soon cease to have any public interest.

We will say that there is nothing in these times are something wonderful. Last year, when the boom towns were stagnated, Chebalis acquired \$100,000 worth of new buildings. And this year, when booms are at their lowest ebb, Chebalis is busily engaged in putting in \$50,000 more into buildings.

Now Try This.

It will cost you nothing and will surely do you good, if you have a Cough, Cold, or any other trouble with Throat, Chest or Lungs. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to give relief, or money will be paid back. Sufferers from La Grip ound it just the thing and under its use had a speedy and perfect recovery. Try a sample bottle at our expense and learn for yourself just how good a thing it is. Trial bottles tree at Dan'l. J. Fry's drugstore, 225 Com'l.St. Large size 50c. and \$1 00.

Courtney Meek met with a serious accident near Hillsboro last week, which came very near proving fatal. Descending the hill near Harry Hall's ranch with his ste thresher, the brake gaye way the apron of the separator ran Co of person, no less than the promise

city water supply. A test was made with a six-inch pump with a beautiful print is sent us by the The pump was started at a 72,006 gallons a day rate, and then inc ed to 141,000 gallons, and at last to 216,000 gailons, and the well stood the test, to the surprise of many

doubtful perrons. The attendance at the public chools of Eugene on Monday, Sept. 19th was 664.

Pensive and Expensive.

Many a woman shrinks from consulting a physician about function derangements and weakness, and prefers to suffer in silence. She is sad and pensive, and her neglect of her ailment will prove expensive. It may cost her her life. One of the most skillful physicians of the day, who has had a vast experience in curing disease; peculiar to woman, has prepared a remedy which is of inestimable aid to them. We refer
